## **DETAILED ACTION**

### ***Response to Amendment***

1. The reply filed on April 3, 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The applicant presented new claims 15-22. 37 CFR 1.111 states: "The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references" and "a general allegation that the claims define a patentable invention without specifically pointing out how the language of the claims patentably distinguishes them from the references does not comply with the requirements of this section." Page 10 of applicant's response recites "for reasons described above, new claims 15-22 are allowable". However the reasons stated above were concerned with claims 1-10, 13 and 14 which recited limitations not explicitly recited in new claims 15-22. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
